Saviours out of ZION

Obadiah 1:21 NKJV
[21]Then saviors shall come to Mount Zion To judge the mountains of Esau, And the kingdom shall be the LORD's.

Isaiah 52:7 NKJV
[7]How beautiful upon the mountains Are the feet of him who brings good news, Who proclaims peace, Who brings glad tidings of good things, Who proclaims salvation, Who says to Zion, "Your God reigns!"

Introduction

1.A saviour is someone who saves others.If you save others from anything harmful then you are considered a saviour.
-Jesus Christ came as a saviour to save us from sin.And that's why we call him a saviour.

2.A saviour is someone who sets others free.If you set someone free from debt or worldly habits then you are a saviour.You have set someone free.

3.A saviour is someone who lays his life down to help othersI have heard people saying you are a lifesaver or you have saved me.What they mean is that you have helped me.

Obadiah 1:21 NKJV
[21] Then saviours shall rise on Mount Zion to judge the mountains of Esau, And the kingdom shall be the LORD's.

-This scripture is found in the Old Testament but is a prophetic scripture that speaks of the New Testament Church and New Testament believers.It reveals God's prophetic agenda for the church.
-The bible says **Then Saviours shall arise from Mount Zion**.Mount Zion talks about the present day Church.So what this scripture is saying is Saviours shall arise from the Church.
-I want you to take note that this scripture is not talking about Jesus.It says Saviours shall arise not a Saviour.So it is God's intention to raise Saviours in their multitude in the present day Church.
-Now brothers and sisters I want you to know that you were not saved to sit in church and wait for heaven…..no no no.You were saved to be a Saviour,you were Redeemed to be a Redeemer and you were delivered to be a deliverer.
-There are specific people that you have been assigned to save and deliver.There is a special group of people who you have been assigned to help through your calling,gift and talent.There are people who will never be free from the shackles of the enemy until you arise as a Saviour in your area of calling.
-According to God's master plan, saviours should arise from the church to bring solutions,answers and salvation to the world.
-The question now is How do we bring the solutions,answers and salvation to the world.The answer is found in our Theme scripture.

Obadiah 1:21 NKJV
Then saviours shall arise from Mount Zion to judge the mountains of Esau, And the kingdom shall be the LORD'S.

-The reason why saviours should arise from Mount Zion is to judge the mountains of Esau.The reason why saviours should rise from the church is for them to rule the mountains of Esau.

Isaiah 2:2 NKJV
[2] Now it shall come to pass in the latter days That the mountain of the LORD 's house Shall be established on the top of the mountains, And shall be exalted above the hills; And all nations shall flow to it.

-In God's prophetic agenda there are 7 mountains of influence or 7 areas of influence.Every nation from Africa to America,Asia to Europe has these 7 mountains or areas of influence.
-And I want us to know that every Christian is called to at least one of these mountains of influence.Nations and cities are changed through these 7 mountains of influence.In order to truly transform any nation with the Gospel of the Kingdom, these 7 areas or mountains must be occupied by God fearing Christians who have an agenda to serve God.
-God has an assignment & calling for every person. He has perfectly designed each person with unique abilities, strengths, desires, and passions to occupy one of these mountains and bring the light of God to the darkness prevailing in the world.
-The problem is we have people that have told us that ALL OF US are called into the pulpit ministry as Pastors so any person who isn't holding a microphone or standing on the pulpit feels he doesn't have a call of God and has nothing to contribute to the Kingdom of God except attending church and serving in a department.The devil is a liar...rega Mwari vatibatsirei nhasi.Move with me tonight!
-Now the 7 areas or mountains of influence are as follows:Listen carefully to these because one of them is your area of calling.

1.Spirituality/ Religion/ Social
-This mountain is for those that are called to the church ministry,social responsibility organisations and the civic society.
-These are called to serve Christ on matters to do with spiritual and social concerns...called to help humanity from the ills of society.
-Saviours should arise and rule over this mountain and arrest the attention of the world through their callings and talents.
-These are people who are in the 5 fold ministry,called to serve in the church.These are people who are called to start NGOs or work for NGOs as a calling not a career.Called to help the less privileged,orphans and those in prison.
-The church has tried to raise saviours to judge and rule in this mountain but sadly we have neglected other mountains.Thats why our light is shining within the 4 walls of the church yet it is supposed to shine outside the 4 walls of the church.

2.Arts,Sports and Culture

-This mountain is for those called to the Arts,Sports and Culture industry.The fashion industry also falls under this.This mountain has been captured by the people of the world.
-Most Christians see arts,sports and culture as evil and they don't bother to identify with it.
-Imagine if Lionel Messi was a born again,tongue talking Christian and understands that God gifted him with sporting abilities to bring glory to His name.
-With his excellence of skill in that area,if he decides to preach Christ to football players surely the results will be more tremendous than sending a Pastor to preach to them.So for us to bring the Kingdom of God to this mountain we should raise saviours out of Zion to judge this mountain.
-The reason why the fashion industry is going crazy and sponsoring nudity & lust more than dignity is because this mountain is in the hands of worldly people.
-Saviours called in this area should arise from Zion and bring Godly values to it.

3.Government and Politics

-In many churches, politics and government is labeled evil and corrupt.People who have a genuine passion and desire to go into politics have been subdued by the erroneous teaching from the pulpit that "A child of God cannot be involved in politics.They say Politics is a dirty game, played by dirty people."
-With such wrong teachings, the mountain of politics becomes available for the devil and the worldly people ONLY and he uses them to fulfill his Satanic agenda over communities,cities and nations.
-As Christians we must change our mindset on politics. God is not only interested in the church raising more pastors,He is also interested in the church producing God fearing governors, ministers, senators, prime ministers, and presidents of nations.
-The bible says in

Proverbs 29:2.
[2] When the righteous are in authority, the people rejoice: but when the wicked are ruling, the people mourn.

-So saviours should arise from Zion to occupy this sacred mountain of government and politics.

4.Education

-This mountain or area of influence is for people that are called for the education field.They have a passion to teach,train and formulate Godly curriculums for the future generations.
-Now a person who controls the education sector determines the future of the next generation.A person who controls the education mountain determines whether kids are taught Godly OR satanic things.The reason why some school curriculums have evil or satanic books is because maKristu takarara while heathens occupy positions in this mountain.
-Saviours should arise from Zion to rule on this mountain and bring Godly principles and curriculums to schools,colleges and universities.
-In some nations kids study magic and witchcraft as courses in their colleges.The reason is because Saviours haven't risen out of the church to save our kids from pending disaster.

5.Media and Entertainment

-These are people who are called to the media and entertainment mountain.We need Christians arising to rule over this mountain.
-Whoever controls the media has the ability to control the values of a nation.Whoever controls the media can control a generation.
-Christains have ignored Media and Entertainment and it has been controlled by heathens.These heathens have shoved their values down our throats and we are losing a generation to that.
-Facebook is majorly controlled by heathens and their content,Tik Tok is controlled by heathens and their content,Instagram is controlled by heathens and their content.Where are the Christians with their content?
-Everyday we hear music that has vulgar and satanic lyrics because we haven't groomed people in the church that will capture this mountain of Media with Godly principles and values.
-Everyday we see movies and videos promoting nudity,witchcraft and LGBT rights because Christians who are supposed to be producing content that reflects the glory of God have been told that you can only do so when you are a Pastor.
-Listen,the pulpit will never be enough to win a generation to God.We need men and women who will rise in Media to win souls through their Godly content,podcasts,music,movies and videos.
-We need people to arise from Zion to produce music and movies that align with Godly principles and promote God's will.
-There is a man called Eezee Tee and he is a gospel music producer and his stable houses Mercy Chinwo,GUC,Judikay and Chris Morgan.Go to his website and see a person who validates what I'm talking about as far as music is concerned.His music stable has produced good gospel music that have impacted people across nations.

6.Family and Society

-These are people that are called to address issues to do with family issues.These have a special grace to minister to the married,divorced,single parents,children,the widows and the widowed.
-Some have grace to teach on marriage and how to raise children in a Godly way.Some offer moral and spiritual support to these groups I mentioned above.
-There are people that have a burden for this but unfortunately the church hasn't made a room for people to express their callings in that regard.
-Also under family every Husband and every wife has a calling.Every Father and mother has a calling.

Tongues tongues

7.Business,Science and Technology

-This mountain is an area for those that have been called for business,science and technology.
-When it comes to the area of business, Christians don't find it hard to go into it because of their desire to make money to satisfy and meet their daily needs.

-It doesn’t take so much convincing to get people into the business mountain, the need & love of money is enough motivation for achieving that.
-Many Christians are into business although it's still dominated by people who do not know God, nor have any respect for the Kingdom's values and principles.
-When you take a look at the business world today and make a list of those who are the top leaders and influencers, you rarely have a Christian who makes a list.The richest businessman in Africa is a Muslim.
-This is because most Christians go into business with the wrong motives. If God has called you to the area of business you should have the Kingdom of God as your priority and not focus on making more money for yourself and your family ONLY.
-The primary purpose of going into business is to bring the Kingdom of God into that sphere for the glory of God; to build their kingdom of God and to bring the influence of God in the area of business.

Matthew 5:14-16 NKJV
[14] “You are the light of the world. A city that is set on a hill cannot be hidden. [15] Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. [16] Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

-Every believer should be the light of the world in the midst of darkness.When light appears in any place the darkness bows down and disappears.
-Its unfortunate that some are raising believers that are too weak to be noticed,too timid to make an impact,too heavenly minded and earthly useless.
-The bible says you don't light a lamp to put it under a basket...you put it on a lampstand so that it gives out light to the whole house.Most Christians are lights but under a basket.Your light only shines in your church and never in the field of your calling.
-Take some time and imagine if all these mountains of influence were filled with Christians who are solution carriers, Kingdom-minded people that have been well raised by the church to bring the will of God to pass on earth as it is in heaven.
-This whole earth literally would be transformed and changed.This is the desire of God. He wants His Kingdom to come, and His will to be done on earth as it is in Heaven.
-This will only be possible when the church raises Saviours out of Zion.This will only be possible if we deliberately teach our congregants to understand this Kingdom concept of setting the world on fire for God.
-Pastors haven't been helping much in this cause.Instead of the church being breeding ground for saviors and deliverers, it is now a plantation of slaves and beggarly Christians.
-As a Pastor you can either be a Slave maker or a King maker by the information you feed your people.Many Pastors are building their personal empires at the expense of people's calling.
-It's not wrong to serve in church departments but after serving God in departments,be taught how to discover your calling in the 7 mountains of influence and pursue it with all your might.
-If you are to leave footprints in the sand of time then you need to arise as a saviour out of Zion and occupy your space in at least one of the mountains of influence.If you are going to leave a mark in the corridors of destiny then you need to arise as a Saviour out of Zion.

Romans 8:19 NKJV
[19]Nature awaits eagerly for the manifestation of the sons of God.

-God sent me to tell you tonight that humanity is waiting for your manifestation.Nature is waiting for you to explode in your calling.

Exodus 2:23-25 NIV PARAPHRASED
[23]During that long period, the king of Egypt died. The Israelites groaned in their slavery and cried out, and their cry for help because of their slavery went up to God. [24] God heard their cry and he remembered his covenant with Abraham, with Isaac and with Jacob. [25]So God looked on the Israelites and was concerned about them.

-In response to their cry God raised Moses out of Zion to silence their cry.Im here to tell somebody tonight that there is a cry that you ONLY can silence in our generation.
-I want us to understand that for every cry in a family,in a city and in a nation God raises saviours to deal with it.
-Just as the Israelites cried out to God, nations are crying for saviours, for men like Moses to save them.Men and women that will offer solutions and answers to a crying world.
-There is a cry in one of the mountains of influence that is waiting for you.
-There is a cry in Media and Entertainment that is waiting for someone to respond to it.
-There is a cry in the Family and Society area that is waiting for you to silence it.
-There is a cry in Government and Politics that is waiting for someone to embrace his calling like Daniel and deal with it.
- There is a cry is Arts,Sports and Culture that is waiting for you to manifest.
- There is a cry in the Education sector that is waiting for my generation to rise from Zion.
-There is a cry in the Business arena that is waiting for genuinely called Kingdom Financiers & Marketplace Apostles to respond to it.
-There is a cry in the Spiritual and Social Responsibility area that is waiting for mena and women of fire to respond to it in the name of Jesus.
-The church is the place where saviors should arise and be released to bring the answers to the cry of the nations.

THE CAVE OF ADULLAM

Obadiah 1:21 NKJV
Saviours shall arise out of Mount Zion,to judge the mountains of Esau, And the kingdom shall be the LORD'S.

-From today ask yourself which mountain is my mountain.And when you discover it then like Caleb shout out to God and say…..Give me this mountain.

THE CAVE OF ADULLAM
